AMERICAN CHAMBER
THANKSGIVING
DINNER**

Thanksgiving celebrates community. We gather to recognize how others have helped us thrive, and how essential cooperation is to success.

Therefore, AmCham would be honored if you would join us in connecting our various communities by ordering a corporate table at which to host business and key external partners.

This year's dinner will remember the Pilgrims and Plymouth Rock. Esteemed chef David Rejhon and his innovative team will prepare a meal featuring the Vltava version of New England's famed seafood chowder, as well the Three Sisters.

The evening will begin with a reception, to be followed with a three-course dinner, and then after dinner conversation. The meal and the entire evening will follow the principles of zero waste.

Corporate tables (for eight people): CZK 46,000 (plus VAT)

Individual tickets: CZK 4,500 (plus VAT)
